INSTRUCTIONS:

- Contact the Agency of Transportation, Utilities and Permits Unit (802.828.2653), One National Life Drive, Montpelier, VT 05633, or your local area Agency Transportation Maintenance District to determine your issuing authority.
- Contact the issuing authority to determine what plans and other documents are required to be submitted with your, under Vermont Statutes Annotated, Title 19, Section 1111, permit application.
- Complete this TA 210 Form (some information may not apply to you) and attach all necessary documents and submit it to the issuing authority. We require this application to be signed by the property owner or their legally authorized representative. **Original signatures are required on an original TA 210 Form.**
- The Owner/Applicant and Co-Applicant (if applicable) declares under the pains and penalty of perjury that all information provided on this form and submitted attachments are to the best of their knowledge true and complete.
- If you have any questions contact the issuing authority.

PERMIT APPROVAL

This covers only the work described below: Permission is granted to work within the state highway right-of-way to conduct natural resource field surveys along various highway corridors. All work shall be in accordance with the attached plan and work description memo and the permit special conditions.

The work is subject to the restrictions and conditions on the reverse page, plus the Special Conditions stated on the attached page(s).

Date work is to be completed November 30, 2014
