A Blackstone Portfolio Company

March 5, 2015

Vermont Department of Environmental Conservation
Watershed Management Division
1 National Life Drive, Main 2
Montpelier, VT 05620-3522

Subject: Responsible Party Statement for Complying with the Terms and Conditions of
the Vermont Wetland Permit for the New England Clean Power Link Project

To Whom It May Concern:

As the Applicant for a Vermont Wetland Permit (Permit) required to be authorized for unavoidable impacts to Class II wetlands and/or buffers from the proposed New England Clean Power Link Project in the Towns of Benson, Castleton, Clarendon, Fair Haven, Ludlow, Mount Holly, Rutland, Shrewsbury, Wallingford, West Haven and West Rutland, Vermont. Champlain VT, LLC d/b/a TDI New England hereby certifies that it will be responsible for all terms and conditions imposed by the Permit, including those involving lands not owned by the Applicant, but for which the Applicant will hold easements, permits, or other approvals/agreements to construct and maintain the proposed Project prior to the commencement of construction. This statement, as signed by the Applicant's representative and notarized below, is intended to satisfy the requirements of *Question 3. Landowner* included in the Vermont Wetland Permit Application/Determination Petition.

IN WITNESS WHEREOF, I herunto set my hand and seal this 5th day of March 2015.

Donald Jessome
TDI New England

STATE OF VERMONT

Washington COUNTY, SS

At Montpelier in said County, this 5th day of March, personally appeared Donald Jessome, TDI New England, who acknowledged the foregoing instrument, by his executed, to be his free act and deed.
